MEMORANDUM FOR: THE DIRECTOR

SUBJECT: Intelligence Advisory Committee Meeting  
9 November

27 IAC-M-4

I suggest that you take up the following two points before getting into the scheduled Agenda:

- 25X1A 1. There is no record in the minutes of the IAC meeting of your agreement with [REDACTED] regarding CIA receipt of JIC documentation. It would be useful therefore, as a means of clarification if you would ask [REDACTED] in a casual 25X9A5 way whether at the first meeting we had reached agreement with regard to JIC documentation as follows
- a. That JIC documentation would routine come to CIA. 25X9A5
- b. In exceptional cases, [REDACTED] would transmit the document directly to the Director for his decision on what parts of the Agency need to have access to it.
- 25X1A9a 2. Attached TAB (A) is a report prepared by [REDACTED] 25X1A9a on progress of urgent business. I recommend that you ask Dr. [REDACTED] 25X1A9a to summarize this for the meeting after which discussion can follow.

With respect to the Agenda for today:

1. Approval of Minutes of last meeting, 2 November (IAC-M-3)
2. National Estimates Schedule: Terms of Reference for Iran and Yugoslavia (IAC-D-1/1)

The terms of reference for estimates on Iran and Yugoslavia have not been coordinated with the staffs of the other agencies because of the crisis work over the weekend on Communist Intentions. The agencies have had this document about 24 hours, and know that it is up for approval. Approval is necessary because work must go forward on these two on an urgent basis. [REDACTED] is prepared to introduce the subject.

3. Soviet Capabilities and Intentions (NIS-3)

25X1A9a [REDACTED] has responsibility.

4. A Recommended U. S. Policy Toward Soviet and Soviet Orbit Official Representatives on Duty in the U. S.

I ask that this paper be placed on the agenda at a late date in order to get it in motion. I suggest that it only be noted now with opportunity for any of the members to raise questions that they may have at this juncture. I recommend that it be put on for final approval at our next meeting.

25X1A9a [REDACTED] from CIA who was the chairman of the committee which prepared this will be in the room in case any question arises.
